STEPS TO VALHALLA

40 STEPS TO VALHALLA

-
- Collect the forty pages from Enki's proverbs, lost over the years. To understand Kalilah's past and about the ancient world's devastation story.

STEP ONE

We SIRIANS are the conquerors of worlds, powerful beings capable of unimaginable deeds. We SIRIANS were at war, a war for the dominance of a planet named NIBIRU. For many centuries we fought. This war was waged between our greatest warriors and the IGIGI, inhabitants of NIBIRU. As always, with war came knowledge. We learned about the IGIGI and their planet. NIBIRU's orbit enters a specific solar system every 3,600 years, and we were approaching that, as foretold in our history.

Our expedition's to Mother Earth was formed by me, ENKI, known as the wise one; DEODAT, the forger; ELOHIM and GENESIS, the creators; And KHAO RÁ... who was to be our biggest mistake.

You will find all other steps during GAMEPLAY.
